### Clarifications for tender Ship generated solid waste handling services

“Please clarify whether documents already issued in the Greek language such as contracts with third parties, balance sheets, registers, personnel documents (such as degrees etc.), equipment documents (such as licenses etc.), etc can be submitted without being translated into English.”

The documents already issued in the Greek language such as contracts with third parties, balance sheets, registers, personnel documents (such as degrees and others), equipment documents (such as licenses and others), can be submitted without being translated into English
